

Muskoka's Green Bin Program

- 1 Check to ensure your street is eligible for Green Bin service on your collection day by flipping to the street listings (pages 7-9) at the back of this book. The Green Bin program is available to residential households in the urban areas of each town. Streets located in the service area are shown with the following symbol: *
- 2 Place your indoor 'kitchen catcher' in a convenient spot, such as on top of or below your kitchen counter. Empty the contents of your 'kitchen catcher' into your Green Bin regularly.
- 3 Place green bin at the curb no later than 8:00am on your regular collection day, each week. Do not set kitchen catchers or loose compostable bags at the curb.
- 4 Do you have a broken or damaged Green Bin? Please contact Muskoka Public Works at 705-645-6764 for information on the Green Bin Exchange Program.

COMPOSTABLE BAGS ONLY!

If you choose to use a compostable bag for your Green Bin material, look for the certified logo.

These are the only bags approved in Muskoka's composting program.

COMPOST GIVEAWAY DAY

Green Bin material is collected at the curb and delivered to the Gravenhurst (Beiers) Compost Facility. Material is then put into outdoor windrows and is processed into nutrient rich compost soil. **Compost is offered at no charge on Earth Day.**
